OFFICE OF THE CHIEF-COMMANDANT
MYSORE STATE TROOPS,

Bangalore dated 9th July *1921.*

From

LT. COL. B. CHAMARAJ URS SARDAR BAHADUR,
Chief Commandant, Mysore State Troops, Bangalore.

To K.Matthan Esq,B.A.,

Offg.Chief Secretary to Govt of H.H.the Maharaja of Mysore.

Sir,

In forwarding herewith a representation from my Personal Assistant Mr.T.V.A.Isvaran for enhanced emoluments, I have the honor to state that the duties of the Personal Assistant in this Office are peculiar in as much as they require initiative, resource, tact and power to act in an emergency. As the entire Administration of the Military Department is practically centralised in the Chief Commandant's Office, which is a peculiar feature of this Department, much of the voluminous work naturally falls on the Personal Assistant who has generally to over-work himself in order to do justice to his duties. For instance, all the arrangements connected with the procuring of supplies to meet the requirements of the men and animals of the -- Department, have to be directed even in respect of the minutest detail from my Office. The movements of Troops, both within and outside the State, especially during the Birthday and Dasara seasons and on other occasions in connection with the visit of distinguished personages to the State, the provision for their manifold requirements, the numerous representations from the Officers and men in regard to their grievances of all sorts, all these contribute towards the heavy and responsible work in my office, to which I believe there is no parallel in other

Offices of the State.

2. Apart from these considerations, it is also quite essential that there should be a sufficient disparity between the pay and rank of the Personal Assistant, and the Commandants of Regiments and the Officers of other Departments under my control, over whom the former has often to exercise some authority in the course of his official duties.

3. Under these circumstances, and in view of the intelligent and enthusiastic manner in which Mr. Isvaran has been discharging his duties, I recommend that his pay be fixed at Rs. 500-40-700, as a special case during the period of his employment in this Department. For an Officer of the general line who has had to specialise himself for the peculiar work of the Military Department, I submit that the pay proposed is not at all much and may be sanctioned.

I have the honor to be,
Sir,
Your most obedient servant,

B. Thimmaya

Lt. Col. S.B.
Chief Commandant,
Mysore State Troops.

M E M O

I was transferred to the Military Department in December 1919, from the Police Department, with a view to being employed as the Personal Assistant to the Chief Commandant, on the retirement of Mr.R.Poottannah. When I agreed to enter this Department, I represented that my pay should be suitably fixed with a start of R$.450/- at least, in addition to the Local allowance. But I was granted only my grade pay as an Assistant Commissioner, with a Local Allowance of R$.100/- I thought I might with propriety renew the representation for enhanced pay after undergoing the necessary training and taking up the --- actual duties of the Personal Assistant. It is now more than six months since I have been employed as Personal Assistant, after undergoing a prolonged and varied training in the British Indian Regiments. I now request that my pay as Personal --- Assistant may be kindly fixed so as to be commensurate with the status and responsibilities of the post. I beg that the Chief Commandant who is well aware of the onerous nature of the duties attached to the post and the manner in which I have been discharging these duties, will be kind enough to recommend my case for the favourable consideration of Government.
